

CLERK U.S. DISTRICT COURT
SOUTHERN DISTRICT OF ILLINOIS
EAST ST. LOUIS OFFICE

) NO 21-CR-30121-NJR

1. Between July 19, 2019, and February 13, 2020, Dakota Olson accessed his Dropbox account by use of the internet on a cellular phone while in the Southern District of Illinois. That account contained in excess of 150 different child pornography videos. Specifically, many of the videos contained prepubescent minors engaging in sexually explicit conduct.
2. The videos had been shipped or transported in, or affected interstate or foreign commerce, by Olson's use of a cellular phone.
3. Olson was interviewed by law enforcement and acknowledged that he previously accessed the Dropbox account on a cellular phone. Olson admitted that the account contained child pornography that he received from other people through "Kik", an online messaging application.
5. All relevant events occurred within the Southern District of Illinois.
